Community service Project

In July our community project was for the elderly residents of Life Point Village in Southaven. The Summer Camp children performed their karate, sang for residents, and presented them with 40 gift bags filled with various small personal items collected. Thank you for your donations. It was well enjoyed by both the residents and children alike.

In August and September, we will be doing recycling community projects to learn how to better care for our environment. In August we will start recycling cellphones, ink cartiges, and household and rechargable batteries. In September we will start recycling paper.
